Hooten Holler Roundup

“The Outlaw Josey Wales”

September 6-8, 2024

We are very limited on RV camping. Please get in touch with High Cotton before paying for a camping spot. The road into the range has a narrow bridge with a 90-degree turn on one side. Bumper tow trailers might have a problem.

Other RV Camping facilities nearby can be found on the Jackson County Tourism website.

There are quite a few Airbnb accommodations near the range. Information can be found at the Jackson County Tourism website.

Tent camping is an option. We will find a spot to fit you in. Please find a Match official to guide you where to set up.

Hotels are about a 35-mile drive from the range.
